

L'ami JAC – NOVEMBER NEWS

Welcome to our November newsletter!

Every month we bring you the latest news and offers from L'ami JAC.

Our November offer: Beaujolais!

We are always looking to expand our selection of delicious French wines and we're very pleased to present a new addition to our portfolio: Château de Raousset. Based in Chiroubles, right at the heart of the Beaujolais appellation, Château de Raousset makes wines in three crus, Fleurie, Morgon, and Chiroubles.

The wines available include **Morgon «Douby» 2015**, a rich wine with spicy aromas and nice tannins, perfect to accompany red meat, charcuterie platters or cheese. **Fleurie «Grille Midi» 2015** is a round and balanced wine with subtle red fruits notes that match well with chicken and turkey. Finally **Chiroubles « Bel Air » 2015** is fruity with fine tannins and great freshness and ideal with starters and to accompany white meat.

To celebrate their arrival in our portfolio, we have a limited offer this month and you can get the three wines for £40 only. It is a great opportunity to explore the beautiful wines of this producer

It's the time to be thankful

Thanksgiving is only a few days away and choosing a wine to pair with a delicious meal made of turkey, stuffing, mashed potatoes, sprouts and pumpkin pie can be tricky.

Luckily, we have put together a few versatile wines that will complement well the flavours of your feast and delight your guests!

Château Saint-Maur is an elegant rosé made of Grenache, Cinsault, Mourvedre, and Rolle. This all-round wine has a nose of white fruits and flowers which will hold up next to the flavours of your turkey.

If you are looking for a red wine option, look no further than **Château de Melin** in Burgundy. Pinot Noir's lighter body is ideal to pair with poultry so try the **Hautes Côtes de Beaune** or **Chambolle Musigny**, two sophisticated wines for your Thanksgiving feast.

If you enter this code xxx on checkout you will also benefit from 15% off on all the three wines above.

Thanks!
