

CHATEAU DES BRIGANDS 2017

MONTAGNE SAINTE VICTOIRE

COTE DE PROVENCE

Château des Brigands was created in 2014. Two families passionate about wine came together, the Garcia Stéphane family and his brother-in-law, Ludovic Pelenc. This fabulous vineyard of 15 hectares and his winery of vinification is situated at the bottom of Baou and Mont Aurélien on gravelly soil and is exposed to Provence sun. The mechanical work of the ground is favoured to avoid the use of chemical weed killers.
