CAHORS - MALBEC WINES

## CHATEAU FAMAÉY – OAK AGED CAHORS MALBEC 2014

Château Famaey is first and foremost the story of Luc and Marc, two braves Belgian Childhood friends, who shared the same dream: one of producing a wine issued from a rich 'Terroir' in the magnificent region of Cahors. This dream came true when they became proprietors of this 33 hectares vineyard, situated on the 2nd and 3rd Terraces of the Lot Valley.

Then Maarten, son of Luc to whom the father's passion has been passed on, joined the duo to take on the role of 'Maître de Chai'. He collaborates with one of the best oenologist of the region, in the constant desire to seek quality and evolution
