

## TERRE D'ERROY VIN DE FRANCE- 2015

Terre de Vignerons is a production and marketing union of 12 wine-making cooperatives in the Entre-deux-Mers (in the Gironde) and the Pays Duraquois (in Lot-et-Garonne). Winemaking cooperatives were introduced in the 1930's, as a solution to the economic crisis and a means to ensure the durability of winemaking estates thanks to the pooling of technical and human resources.
